Company IntroductionCompany Introduction

Xi'an L&Y Electronics Co. Ltd specialized in design, development, production and sales of electronic components and committed to providing high quality parts to our customers.

Our product line include high-grade electrical, electronic and fiber optic circular and rectangular connectors, push pull connectors, cable assembly which mainly exported to North American, Europe, Middle East and Asia.

Our company has 7 production and manufacturing workshops, more than 30 production lines and 3 continuous military standard

L&Y Electronics

production lines. The manufacturing scope covers the whole process of mold processing, injection molding, stamping, machining, electroplating, heat treatment and assembly, with an annual production capacity of more than 10 million.

L&Y Electronics

Product Range

DTL-38999 Series(GJB599)

MIL-DTL-38999 I series

MIL-DTL-38999 II series

MIL-DTL-38999 III series

Product Range

MIL-C-26482 Series(GJB598)

MIL-C-26482 I series

MIL-C-26482 II series

Product Range

MIL-C-5015 Series(GJB600)

L&Y Electronics

Product Range

MIL-C-83513 Series (GJB2446A)

L&Y Electronics

Product Range

Push Pull Connector

Our products also include:

L&Y Electronics

Product Range

Y2,Y3,Y3A,Y3B,Y4,Y11E,Y16,Y17,Y27,Y50X,Y50DX,Y55,Y56,Y56E,Y57,Y60,YW,YW1,YP,TP,XC,XK,XKE series circular connectors.

J3,J3B,J3C,J3D,J3E,J3H,J4,J6,J6D,J6E(MIL-C-24308A),J14A,J14B,J14C,J14D,J14E,J14F,J14G,,J14H,J14T,J19,J19C,

J20A,J20B,J20C,J24H,J25,J27,J28(DIN41617),J31B,J33,J33D,J36A,J36B,J36C,J36D,J36F,J36H,J36N,J41,J41B,J41D,J41E,J42(MIL-C83513),J42A,J42B,J42C,J42E,J42F,J46,J47,J48,J50,J50A,J51,J51A,J52,J60,J66,J67,J70,J84,J85,J93,JB8,JB15-3 series rectangle connectors etc.

Customer Orientation Strategic Target

- Delivery Just In Time
- Stable Quality and Price
- After-Sale Service
- Solve the Issue Together With Customer
- Easier the Way of Cooperation with Customer ● To Provide Truthful, Effective Matched Plans to Customer

● To Set Up Win-Win Cooperation Mechanism and Fair-Friendly Relationship With Partners
